THE MOST FUEL-EFFICIENT PICKUP IN AMERICA¹

Ranger SPORT SuperCab 4x4 in Torch Red with available equipment

27
MPG HWY¹

The New 2011 Ranger

Ford Ranger performs at the pump **better than any pickup in America** – its fuel economy is best-in-class,² city, highway and combined. It's also Built Ford Tough[®] with the brawn and bravado it takes to back up that best-in-the-USA brag. It tows up to 5,800 lbs.³ It boasts **over 25 years** of proven durability and reliability. And it comes with the sensibility of 4 airbags and **AdvanceTrac[®] with class-exclusive RSC[®] (Roll Stability Control[™])** – standard. Whether you like to play it safe or play it up, Ranger is happy to deliver.

¹4x2 with 2.3L I-4 engine and 5-speed manual transmission. Based on EPA-estimated mileage for Ranger pickups vs. 2011 competitors. ²EPA-estimated 22 city/27 hwy/24 combined mpg, 4x2 with 2.3L I-4 engine and 5-speed manual transmission vs. 2011 competitors. Class is Compact Pickups. NOTE: Ranger SPORT 4x4 shown here achieves 19 mpg hwy with manual transmission. ³When properly equipped.

2011 RANGER

ford.com

CONFIDENT PULLING POWER

Ranger XLT SuperCab 4x2 in Silver with available equipment

Ranger is built to stand its ground – featuring **AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™)** standard on every model. It's the only brake-based electronic stability control system in its class to utilize a roll-rate sensor, monitoring the vehicle's roll motion at least 100 times per second. It automatically works with the **Anti-Lock Brake System (ABS), traction control** and **yaw control** to help keep all 4 wheels firmly planted.¹

The standard **2.3L I-4 engine** gives you best-in-class efficiency – up to **27 mpg hwy** and **22 city**² – plus 143 horsepower and 154 lb.-ft. of torque. Team it with the standard trailer tow hitch receiver and tow up to 2,160 lbs.³ Hungry for some more serious pull? Go with the available 4.0L V6 and **tow up to 5,800 lbs.**³

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²EPA-estimated 22 city/27 hwy/24 combined mpg; 4x2 with 2.3L I-4 engine and 5-speed manual transmission vs. 2011 competitors. ³When properly equipped. See your dealer or owner's guide for towing limitations and other details.

The 4.0L V6 engine, standard on SPORT, packs 207 horsepower and 238 lb.-ft. of torque under that power dome hood. Mean numbers for crawling or hauling.

2011 RANGER

PROVEN OFF-ROAD SKILLS

Ranger SPORT SuperCab 4x4 in Black with available equipment

Hit dunes. Climb rocks. Tackle streams. Ranger 4x4s live and breathe extreme capability. Select the ideal drive on the available **electronic shift-on-the-fly (ESOF) 4x4 transfer case** – without stopping – simply by turning a switch.

Also available to up your go-anywhere potential: **heavy-duty shocks** (standard on SPORT 4x2 and all 4x4s) and as many as **3 skid plates** (front, mid and aft). No wonder Ranger SPORT 4x4 is a fan favorite at the Best in the Desert Racing Association series, where Ford rules as **Official Truck**. When the dust settles, Ranger triumphs.

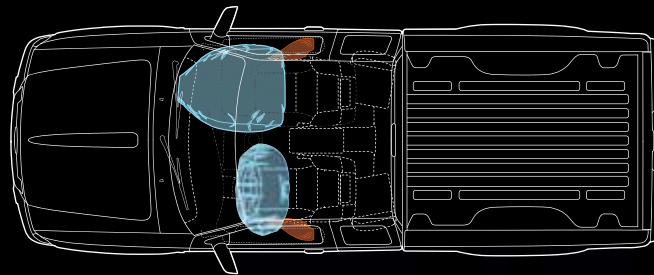

Twin-tube, cellular-gas Rancho® shocks make for some serious off-road performance. Available on XLT and SPORT 4x4s.

2011 RANGER

ford.com

Every Ranger gets 4 standard airbags including dual-stage front airbags and front-seat side airbags. 2010 Ranger Regular Cab and SuperCab models rate the full 5 Stars for the driver and 4 Stars for the passenger in frontal-impact¹ crash tests conducted by the National Highway Traffic Safety Administration (NHTSA).

TOUGH INSIDE AND OUT

A. LIMITED-SLIP REAR DIFFERENTIAL – NEW FOR 2011

When slip is detected, it automatically transfers torque to the tire with better grip to help maximize traction. Optional on models equipped with the 4.0L V6.

B. 56.5-IN.-LONG REAR LEAF SPRINGS

Ideal for axle control and a smooth, balanced ride while hauling a load. Standard on every Ranger.

C. TORSION-BAR FRONT SUSPENSION

Long wheel travel makes for outstanding off-road capability. Standard on all 4x4s and SPORT 4x2.

D. FULLY BOXED FRONT FRAME RAILS

Major components of the rock-solid, steel ladder frame. Standard on every Ranger.

E. FRONT TOW HOOKS

Rugged connections lend an assist (to trucks less capable). Standard on XLT and SPORT 4x4s.

¹2010 model year. 2011 model year to be tested. Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov).

New Vehicle Limited Warranty. We want your Ford Ranger ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Comparisons based on 2011 competitive models (class is Compact Pickups), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in

combination with other options or subject to additional ordering requirements or limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.

PACKED WITH POSSIBILITIES

TOW UP TO 5,800 LBS!¹ with Ranger SPORT and its 4.0L V6 engine. Models equipped with the 2.3L I-4 engine and standard trailer tow hitch receiver tow up to 2,160 lbs! And every Ranger leaves you lots of room for fun with over 8 in. of ground clearance.

¹When properly equipped. See your dealer or owner's guide for towing limitations and other details.

XLT CABIN IS LOADED with more than ergonomics. On top of the available leather-wrapped steering wheel with tilt and cruise control, you get this XLT exclusive: fully carpeted flooring with matching carpeted floor mats up front.

REAR JUMP SEATS are standard on all SuperCab models. Fold 'em down to give your passengers a whole lotta leg room. Or fold 'em up to make way for gear. The sporty cargo net, also standard on SuperCab, is great for keeping smaller stuff close at hand, yet out of the way.

SIRIUS SATELLITE RADIO, standard on XLT and SPORT, includes an introductory 6-month subscription to over 130 channels including 100% commercial-free music, plus the best in sports, news, talk and entertainment, 24/7, coast-to-coast.² New for 2011, you can add The Best of XM channels at no charge.²

²Subscription required after introductory 6 months expire. Call 1-800-351-4517 for details on The Best of XM.

PLUG 'N' PLAY MP3 MODE on the available multi-speaker stereo system — standard on XLT and SPORT. Comes with a CD player and the all-in-one convenience of an audio input jack. So you can plug in your MP3 player and pump out all your tunes.
